## SELECTMEN'S REPORT

1992 was another good year for the Town of Hancock. Though it was tough for some residents individually due to the economy, we, collectively, were able to accomplish a variety of actions to improve the overall condition of our capital assets.

A major achievement and source of community pride was the repair and restoration of Hancock's landmark Meeting House. Thanks to the generosity of past and present residents and friends of Hancock, the Meeting House Committee raised sufficient funds to restore the steeple and to make a variety of other much needed repairs such as: unanticipated repairs to the belfry, replacing rotted timbers in the back of the building, repairing a seriously worn main lobby floor, and refinishing the lobby, including new lighting fixtures. The Meeting House Committee report that follows this provides an excellent summary of the project. A hearty "well done" is extended to the committee and all who contributed. Their effort made this project possible with no impact on our taxes.

Typically, the Meeting House effort as well as much of the rest of town accomplishments for the year was made possible through the dedicated efforts of volunteers. Hancock is uniquely endowed with a number of residents who give unstintingly of themselves to keep Hancock the town that we all enjoy so much. In addition to those standing commissions, agents, directors and committees listed in the front of this report, the AdHoc Highway Department Advisory Committee consisting of Dick Quinn, Jack Roper and Wayne Fisher working with Hank Query, have made great strides in developing a detailed record keeping system for the Highway Department. This system will record how many personnel and equipment hours are used on various tasks performed by the department. Maintenance hours and costs will also be recorded by equipment. This in turn will allow for cost analysis, determining future equipment needs and will assist in future budget preparation and justification.

Another AdHoc committee, consisting of Mark Schaal and Dave Small conducted a thorough inspection and review of town buildings to determine their condition and to provide the basis for an ongoing repair and maintenance program. The fruits of that effort are visible around the village. The Post Office was painted. The bandstand has been repaired and refurbished. Progress was made in bringing the Town Office Building to a higher state of maintenance. Most visible is the replacement of the front entryway columns and painting of the main hallway. By making use of the Hillsborough County House of Correction inmates for painting, we were able to stretch the limited budget and accomplish more than we had planned. We plan to continue this progressive program of maintenance each year in order to preserve our valuable capital assets.

With a modest \$2,000 expenditure, we were able to continue the progressive restoration of the original Pine Ridge Cemetery where many of the old stones badly need work in order to preserve this part of our town heritage. With

Selectmen's Report cont.

the formation of the Cemetery Trustees group this year, made up of John Kaufhold, Ed Eldred and Carolyn Schaal, the important care of all our cemeteries is now in capable hands.

In recognizing volunteers, we particularly note the efforts of John Goodhue. Two years ago he accepted the appointment as Civil Defense Director. This year he has agreed to take on the added responsibility as the Coordinator for the Americans with Disabilities Act (ADA) provisions. Both of these areas of responsibility have little visibility, but have critical implications both legally and for services to residents. Through John's efforts Hancock's town officials participated in a state wide civil disaster drill last fall and currently are working to determine how the town will meet ADA requirements.

With regard to the operating budget, thanks to careful management by Department Heads and Committees, we ended the year with an under-expenditure of about \$12,000 (final figure will be determined after the annual audit completes in January). This surplus is particularly noteworthy because it occurred in spite of a couple of surprises. First, we found Derby Hill was in such poor condition that we had to overhaul this stretch of highway in addition to the planned projects. Secondly, the furnace at the Town Garage gave out and had to be replaced in order to protect equipment and provide heat to the office area. Coupling this under-expenditure with about \$13,000 more in revenue than anticipated (exact amount again to be determined upon audit completion) and we will start fiscal 1993 in a strong fiscal position, with adequate reserves to guard against surprises.

In closing, we would be remiss in not acknowledging the efforts of our dedicated town employees. These people provide the core of services that make possible a continuing high level of public satisfaction. The administrative staff, police, highway, fire and dump attendants are a very visible, positive part of the Hancock scene. We thank them for their cheerful, day-by-day efforts on our behalf.

THE STATE OF NEW HAMPSHIRE  
TOWN WARRANT

To the Inhabitants of the Town of Hancock, in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the FIRE STATION in said Hancock on Tuesday, the ninth day of March next at ten of the clock in the forenoon until seven of the clock in the evening, for ballot voting of Town Officers and all other matters requiring ballot vote; and, to meet at said FIRE STATION in said Hancock, on Saturday, the thirteenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Hancock Planning Board for the Town Zoning Ordinance as follows: a. To amend the existing definition of Steep Slope in Article III and Article X to add the following as indicated by capital letters - Steep Slope, is a slope of fifteen percent (15%) or greater OVER ANY 100 FOOT SEGMENT PRIOR TO CUT OR FILL; b. to amend all sections of the ordinance where percentage is now stated to meet the proposed definition, which would include driveways, septic systems and buildings. The Planning Board approves and recommends the adoption of Amendment No. 1.

3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Hancock Planning Board for the Town Zoning Ordinance as follows: To amend Article VIII, Section 9, Flexible Zoning to add: ALL LOTS MUST HAVE THEIR ACCESS ON A PRIVATE ROAD UNLESS THE PLANNING BOARD DEEMS THE PURPOSES FOR FLEX ZONING ARE BETTER SERVED BY NOT REQUIRING SUCH ACCESS. The change is necessary to limit entrance onto town roads as well as maintain the original intent of Flexible Zoning.

The Planning Board approves and recommends the adoption of Amendment No. 2.

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Hancock Planning Board for the Town Zoning Ordinance as follows: To add to Article XIII, Section 9, Flexible Zoning - No boundary line adjustment may be made within the original approved flexible zone subdivision. A statement to that effect shall be set forth on the final subdivision plat, and shall be contained in the deeds of all lots. The Planning Board approves and recommends the adoption of Amendment No. 3.

5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Hancock Planning Board for the Town Zoning Ordinance as follows: To add to Article II, Districts - In each of the afore-said districts, all uses not expressly permitted and enumerated herein are expressly prohibited.

This is a clarification of the intent of the existing ordinance and is not a substantive change in policy. The Planning Board approves and recommends the adoption of Amendment No. 4.

6. To see if the Town will vote to raise and appropriate a sum of money not to exceed one hundred seventy thousand dollars (\$170,000.00) to make certain modifications to the existing municipal water system to bring it into compliance with the Surface Water Treatment Rule, Filtration Avoidance Criteria (ENV-WS 380.04) of the Safe Drinking Water Act as mandated by EPA and N.H. Department of Environmental Services. Said sum to be in addition to any federal, state or private funds made available therefore, and to authorize the issuance of not more than one hundred seventy thousand dollars (\$170,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. For this project, the Town to be reimbursed from water rents annually; or take any other action relating thereto. BALLOT VOTE

7. To see if the Town will vote to raise and appropriate the sum of eight hundred thirty-three thousand, two hundred fifty-two dollars (\$833,252.00), which represents the operating budget. Said sum exclusive of all special articles addressed; or take any other action relating thereto.

8. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for well monitoring and engineering services at the landfill site; or take any other action relating thereto.

9. To see if the Town will vote to raise and appropriate up to thirty five thousand five hundred dollars (\$35,500.00) to upgrade portions of Vatcher Road, Windy Row, and Tannery Hill; or take any other action relating thereto.

10. To see if the Town will vote to raise and appropriate up to six thousand dollars (\$6,000.00) to close the English gravel pit; or take any other action relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of up to ten thousand dollars (\$10,000.00) for the purchase of a three-quarter ton truck for the Hancock Highway Department, and to authorize the use of \$10,000.00 from the December 31, 1992 fund balance; or take any other action relating thereto.

12. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the Senior Nutrition Program at Sargent Camp, Inc.; or take any other action relating thereto.

13. To see if the Town will vote to raise and appropriate up to three thousand dollars (\$3,000.00); two thousand dollars (\$2,000.00) for the purpose of repairing broken and damaged memorial stones in Pine Ridge Cemetery; one

thousand dollars (\$1,000.00) for stone wall repair at Hillside Cemetery; or take any other action relating thereto.

14. To see if the Town will vote to raise and appropriate up to five thousand dollars (\$5,000.00) for the purpose of hiring an engineering firm to conduct a survey of the existing groundwater problem in Hillside Cemetery; or take any other action relating thereto.

15. To see if the Town will vote to raise and appropriate up to five thousand dollars (\$5,000.00) to begin modifications to the Town Office Building to meet the Americans with Disabilities Act; or take any other action relating thereto.

16. To see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) to modify the existing transfer/recycling building; or take any other action relating thereto.

17. To see if the Town will vote to establish a capital reserve fund under the provisions of RSA 35:1 for the purpose of purchasing a fire truck to replace the 1965 International, in 1995, and appropriate the sum of twenty-five thousand dollars (\$25,000.00) to be placed in this fund; or take any other action relating thereto. PETITION

18. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500.00) for the Contoocook Housing Trust, to support its goals of creating and maintaining affordable housing for low and moderate income families; or take any other action relating thereto.

(BY REQUEST)

19. To see if the Town of Hancock will convey ownership of the 1945 Mack Fire Truck to the Hancock Fire Department Association, Inc. for the sum of one dollar (\$1.00); or take any other action relating thereto.

20. Shall we adopt the provision of RSA 31:95-c to restrict the revenues from sales of town histories to expenditures for the purpose of developing a genealogy? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Hancock History Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue; or take any other action relating thereto.

BALLOT VOTE

21. Shall we adopt the provision of RSA 31:95-c to restrict the revenues from open container violations, parking tickets and pistol permits to expenditures for the purpose of repair and replacement of police equipment? Such revenues and expenditures shall be accounted for in a

special revenue fund to be known as the Hancock Police Equipment Repair/Replacement Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue: or take any other action relating thereto. BALLOT VOTE

22. Shall we adopt the provisions of RSA 31:95-c to restrict the revenues from tennis court user fees and donations to expenditures for repairs to the tennis courts? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Hancock Tennis Court Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. BALLOT VOTE

23. Shall we adopt the provisions of RSA 31:95-c to restrict the revenues from recreation user fees and donations (other than from tennis) to expenditures for the purpose of repairs to recreational facilities? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Hancock Recreation Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. BALLOT VOTE

24. To see if the Town will vote to raise and appropriate twenty seven hundred dollars (\$2,700.00) for the purpose of purchasing the necessary materials to do further work on the Hancock genealogy and authorize the withdrawal from the Hancock History Fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto.

25. To see if the Town will vote to raise and appropriate up to three thousand dollars (\$3,000.00) for the purpose of repairs and replacement of police equipment and authorize the withdrawal of this sum from the Hancock Police Equipment Repair/Replacement fund (Revenue Fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto.

26. To see if the Town will vote to raise and appropriate up to twenty four hundred dollars (\$2,400.00) for needed repairs to the tennis courts and authorize the withdrawal of this sum from the Hancock Tennis Court Maintenance Fund (Revenue fund) established for this purpose at the 1993 town meeting; or take any other action relating thereto.

27. To see if the Town will vote to authorize the Hancock Library Trustees to apply for, accept and expend, without

further action by the Town Meeting, money from state, federal or other governmental unit or private source which becomes available during the current fiscal year; or take any other action relating thereto.

28. To see if the Town of Hancock will amend Article 20 of the 1987 Town Meeting (establishing a 31:19-a cemetery general fund trust with the selectmen as agents of the fund) to have the cemetery trustees as agents of the fund; or take any other action relating thereto.

29. To see if the Town will vote to establish a trust fund for the purpose of funding joint Town and First Congregational Church Meeting House expenses as provided in RSA 31:19-a, such trust to be funded by funds remaining from the Historic Hancock Meeting House Committee fund raising efforts after completion of the present renovation and fire prevention program, and by any future gifts designated for this purpose. Both the interest and principal of this fund may be expended only after approval by both Town Meeting and Church Meeting to cover joint expenses relating to the Meetinghouse; or take any other action relating thereto.

30. To see if the Town will vote to appropriate the current balance in the Steeple/Town Clock fund (established at the 1983 Town Meeting) to the Historic Hancock Meetinghouse Fund; or take any other action relating thereto.

31. To see if the Town will designate as Class VI, that portion of King's Highway starting at a point just northerly of the current Joseph English home and running northwesterly to a point just southerly of the drive leading to Juggernaut Pond; take any other action relating thereto.

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the  
Board of Selectmen  
Town of Hancock  
Hancock, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1992, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock as of December 31, 1992, and the results of its operations (and cash flows of its nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

The entire report is available for  
inspection at the Selectmen's Office.

## HANCOCK TOWN LIBRARY - 1992

As a result of the efforts of Children's Librarian Maryann Hitchcock and volunteer Barbara Woods, the children in Hancock are using and enjoying the library in increasing numbers. In 1992 the children's circulation rose to 12,434 (from 10,657 in 1991). The library staff places a high priority on providing a welcoming atmosphere for the young people of the community so they will regard the library as a place to find answers, enjoyment and friends.

In the past five years the overall use of the library has increased tremendously. In 1987 a total of 14,833 books and audio-visual materials were loaned - in 1992 the total grew to 23,420. This increased use produces a strain on the budget and on the time of the staff. We are very fortunate to have a loyal core of volunteers who gave over 1600 hours to the library in 1992. They provide assistance manning the circulation desk, reading to the elementary school children, mending books, preparing books for circulation and numerous other activities that help to keep the library running.

The statistics below show that an unusually large number of books were purchased and added to the collection in 1992. An anonymous gift earmarked for books was used to supplement the children and adult nonfiction collections and to provide additions to the reference section.

The inventory-recataloging project continues and the staff and public are already reaping the benefits of this work. The improved card catalog provides better access to materials and the new spine labels make shelving books easier. This project solves two additional problems - the patron's names have been removed from circulation cards in compliance with state confidentiality laws and a long overdue inventory is being done so there will be an accurate record of the holdings of the library.

Access to the New Hampshire Automated Information System is available through use of the computer originally purchased to do the inventory-recataloging. This system makes materials available from any town or academic library in the state. There has been a 36% increase in Interlibrary Loan transactions in 1992 as patrons became aware of this service.

The following statistics provide additional information.

## HANCOCK LIBRARY TRUSTEES REPORT

Nancy Adams began her service as a library trustee six years ago in 1987. During the next six years, she made an invaluable contribution. This was a period when the library building and library services were substantially expanded. As a trustee and a member of the Building Committee, Nancy was a great stabilizing force, helping to keep everyone's efforts directed toward end results and helping with her practical good sense and good humor to resolve many earnest and conflicting opinions. During the final construction phases, she provided special assistance to the Library Director in the selection of furnishings and color choices.

With completion of the building, Nancy helped define the Library's enlarged mission to serve the educational, informational, cultural and recreational needs of all Hancock residents. As she steps down, we owe Nancy great thanks for devoting many hours and much effort to helping the Library become an increasingly important organization for Hancock people of all ages.

The Library Director's Report elsewhere in this Annual Report clearly shows how the Library has made substantial progress toward meeting the objectives that were set at the beginning of the building program. These objectives were to guide the Library in playing an active role "in promoting and encouraging people to enlarge their knowledge and vision of the world so that they may achieve richer, fuller and economically useful lives and make maximum contributions to themselves as individuals and to our town, state and country." The substantial increase in the use of the Library by children and adults attests to the excellence of the work done by the Library Director, the Library staff and the devoted volunteers. A remaining challenge is to attract increased use by young adults. The newly established Karl Upton Corner for young adults and the acquisition of appropriate books and reference volumes represents a solid beginning.

Our annual report several years ago indicated it would take time to learn the full costs and other implications of operating the enlarged building and expanded services. The Library's ability to handle the increased demands for services has been due to the excellent and unselfish efforts of the Library Director and her staff. At the end of 1992, it became apparent that we must pause to reappraise how much the Library can do with its present resources, how much it can ask for further financial support from the town and, perhaps, how much it may have to curtail present services. This will be a major challenge for the Library Trustees and Library staff during 1993.

In the meantime, we thank Nancy Adams for the unique contributions which she made to the Library during the past six exciting years.

Howard M. Mitchell  
Chairman

## HANCOCK FIRE DEPARTMENT

In 1992, we had a total of 109 calls. They breakdown as follows:

54 rescue calls	4 brush and grass fires
2 structure fires	20 mutual aid calls
1 partition fire	1 fatal fire
10 chimney fires	5 automatic fire alarms
2 car fires	10 misc. calls

The members put a 22' x 14' addition onto the fire station this year. This will be used as a new radio room and command center. Also as funds become available, we will purchase a computer to help with record keeping, and a fax machine and copier. The members volunteered their time for this project. We would like to thank area businesses that either donated or provided materials at reduced prices. This project is paid for with moneys from the raffle and donations by the townspeople.

NEPA 1500 "FIRE DEPARTMENT OCCUPATIONAL SAFETY & HEALTH PROGRAM" is meant to be a voluntary standard for all fire departments. It covers such areas as Organization, Training and Education, Vehicles and Equipment, Protective Equipment, Emergency Operations, Medical, and other aspects of firemen's Safety and Health. Insurance companies are now strongly urging fast compliance with this standard. At the present time, we are in compliance in many areas of 1500. Our protective clothing, and most of our equipment meet these regulations. Our training through the Haz Mat, ICS Course, Certified Fire Fighter, EMT, CPR, and Advanced First Aid is getting us closer on the Training and Education. We will continue on in these areas. The area of most concern to the insurance company at this time is the chapter on Medical and General Health Data Base. This will be studied throughout the year to see what is needed to come into compliance as soon as possible.

The Fire Department put a partition article on the warrant this year to start a Capital Reserve Fund for truck replacement. We feel that with the current interest rates, it is a good time to do so. It will help to level out the tax burden, and help keep the town's overall debt load down. We know that a few of the taxpayers are not in favor of such funds to save money in advance, so that purchase can be made with cash. If we save \$25,000 each year for five years, instead of purchasing a truck and then paying over the next five years with interest, we could save between 18% and 20% on the overall purchase cost at today's interest rates. We are putting this before the taxpayers for their opinion.

Chief Robert Kierstead

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1992 was below average for wildfires reported in our state. Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

## REPORT OF THE HANCOCK TOWN DUMP COMMITTEE

This has been a tough year in the recycling business. Some of the markets we were using either lowered their prices paid for recyclable products, or stopped paying altogether. We found a market that pays for shiny paper magazines. In the past, we received no money for magazines. On the up-side, we were able to renegotiate our contract with Waste Management and get a rate that is very favorable to the town.

We ran a traffic count at the dump for a couple of months and learned that the car count per hour is higher on Wednesdays than on Saturdays or Sunday. Therefore, you will have three attendants to assist you with your trash and recyclables every day.

I know some of you out there still think that recycling is just too difficult, so you still insist on throwing your plastic containers, glass, tin and aluminum cans, cardboard and newspapers in the compactor. This practice is costing you and your friends and neighbors MONEY! We PAY for everything that goes into the compactor. The items we RECYCLE, we either make money on or break even. This is one way each and everyone of us can help control taxes.

Please open your bags of trash before putting them in the compactor. This allows us to get more trash in each container. There is another benefit to you - we occasionally hear of someone throwing away something of value, such as Christmas presents, if you open your bags on the hopper and pour out the trash, this won't happen. PLEASE open your trash bags!

We have installed a waste oil furnace at the Highway Garage. We are now using our own waste oil for the benefit of the town. When disposing of oil, please keep it as clean as possible, no antifreeze, gasoline or hydraulic oil, etc.

The committee would like to thank Len Eagleson, Ken Blood and Chris Adams for making the dump a clean and friendly place to properly dispose of your trash and to meet your neighbors. Our thanks also goes out to the Highway Crew. These people are the ones that keep the road plowed and sanded as well as doing a variety of jobs that keep the dump operating.

Last but by no way least, a big thanks to Barbara and Wendy for typing the reports for the state and all the other details they take care of for us.

## WATER COMMISSIONERS REPORT

During 1992, two major projects were undertaken. The second phase of swab cleaning the water mains was completed. The work included the remaining 8" diameter main from the elementary school up Main Street to the 8" x 6" reducer located in front of the Library, and then the 6" diameter main from that location up Norway Hill to the intersection of Duncan Road. The project experienced some minor difficulties and delays, but on balance it went well and close to the projected costs.

The other project was the ongoing process of compliance with the Surface Water Treatment Rule of the Safe Drinking Water Act. In June, a filtration waiver request was submitted to the state along with supporting documentation prepared by Dufresne-Henry, Inc., engineers. The state responded in October granting a provisional waiver of filtration of Juggernaut water subject to the Town making two modifications to the existing system. One is to upgrade the disinfection system to meet specific criteria, and the other is to develop a watershed protection plan. At years end the Water Commissioners were in the process of defining the costs for implementing these modifications.

Beginning January 1st, 1992, the water rents were increased which provided revenue in excess of current operating costs. These additional funds will be used to offset the anticipated increase in operating costs of the new disinfection system as well as help defray the capital expenditures associated with the new construction.

## HANCOCK PLANNING BOARD

This was a busy planning year for the Board. After many meetings and public hearings, a Steep Slopes ordinance was adopted by the town in March along with Flexible Zoning. There were two public hearings held. We are still working on clarifying the Home Occupations ordinance as well as defining and amending some of our present Zoning and Subdivision ordinances. Back lots and right-of-ways top our list for discussion. We are also collecting information on impact fees and expect that to come up for discussion in the coming year, especially if we see a "burst" of building.

Dave Reardon took on the tremendous task of updating the Capital Improvement Program.

The Board approved two subdivisions and three boundary line adjustments. The economy telling its' story in Hancock. Because of the light activity in this area, the Board met once a month during the summer months.

The Board always welcomes input from the town, and would like to see more of you at our public hearings.

## CONTOOCCOOK AND NORTH BRANCH RIVERS LOCAL ADVISORY COMMITTEE

The Contoocook and North Branch Rivers were designated into the New Hampshire Rivers Management and Protection Program (NHRMPP) in March of 1991. The program establishes a statewide rivers program based on a two-tier approach to river management and protection: state designation of significant rivers and protection of instream values and local development and adoption of river corridor management plans to protect shorelines and adjacent lands.

The local Advisory Committee is made up of individuals nominated by the Selectmen and City Council members from the thirteen communities bordering these rivers. Final appointments are made by the Commissioner of the Dept. of Environmental Services, the Dept. charged with the administration of the NHRMPP. The Committee is charged with: 1) commenting on (in an advisory capacity) local, state, and federal permit applications that affect the rivers, and (2) developing a local river corridor management plan. As the name implies, a local river corridor management plan is a locally developed and adopted plan which, with citizen input, is tailored to fit each area of the river corridor and discusses recreational and non-recreational uses, access points, and setback requirements among others. The committee is presently creating a survey which will be distributed to riparian owners and other local people to help the Committee determine how people feel about existing and future planning of the rivers. Your local representative on the Contoocook and North Branch Local Advisory Committee is David C. Reardon. The Committee meets monthly in Hillsborough. Please feel free to call your representative for further information.

## HUMAN SERVICES REPORT

During the year 1992, \$18,501.29 was spent of Town moneys for direct aid to applicants who qualified under the Welfare Guidelines of the Town of Hancock. As in past years, housing, electricity, heating and food were the main categories covered.

The number of cases covered increased slightly during the end of 1992. Assistance continues to be more inclusive per case and of a longer duration than past years.

Beyond the Town expenditures, \$12,190.21 was spent from the Hancock Helping Hands Fund. This is a considerable increase from last year, an indication that economic conditions are still difficult for many families in Hancock. Helping Hands received generous donations from organizations and individuals in Hancock this year, as well as baskets of food and baked goods for Thanksgiving and Christmas. Donations of money and gifts for Operation Santa helped 10 children and their families. On behalf of all the recipients of your generosity, thank you.

Respectfully submitted,  
Wendy R. Brennan

## EMERGENCY MANAGEMENT

Hancock's Emergency Management Director John Goodhue, appointed in the summer of 1991, has succeeded in completing numerous basic emergency management courses under the director of the New Hampshire Emergency Management in Concord.

The Hancock Emergency Management Plan was completed and filed in May of 1992. This effort was the result of the close cooperation of Hancock Fire Chief, Police Chief and Road Agent. The Hazardous Waste Materials Annex to this plan will be completed shortly.

To test the plan the Hancock Emergency Management team participated in a state wide exercise on September 17, 1992. This exercise was successful and lessons learned will be of valuable assistance to the town.

## AMERICANS WITH DISABILITY ACT

John Goodhue was appointed as Americans With Disabilities Act coordinator during the summer of 1992. Since that time, Goodhue has participated in training sessions and has familiarized himself with the Act and its contents.

The Town of Hancock is moving to bring itself into compliance with the Act. No town services are not available to any citizen because of disability.

## HANCOCK CONSERVATION COMMISSION

The Hancock Conservation Commission is the only local board charged with protecting Hancock's natural resources--our wetlands and forests, our drinking water and soils, our wildlife and parklands.

The Conservation Commission has established a Forest Management subcommittee to manage our town forests. That committee submits a separate annual report.

The Conservation Commission's two major activities for the year were carried out by two working groups, the Natural Resources Committee continued work on the state mandated natural resources inventory for Hancock with special emphasis on wetlands. Three teams of volunteers have been formed, and trained in evaluation methods established by the state of New Hampshire, with the result that to date nine of our major wetlands have been described and evaluated.

The Conservation Easement Monitoring Committee is charged with monitoring Hancock's conservation easements. It has compiled a list of conservation easements and town forests totaling approximately 1670 acres. The committee has assumed responsibility for monitoring 7 easements comprising approximately 610 acres. The balance of the acreage consists of either town forest or easements held by other conservation groups. Documentation on each easement is compiled, and Commission members will monitor each easement once a year. A written report of the findings will be added to each file and sent to the landowner.

The Conservation Commission organized and hosted several community events: volunteers, young and old, joined the Commission and the Sportsman's Club in Spring Clean-Up Day to rid Hancock's roadsides and woods of the winter's accumulated litter.

To welcome the season's earliest migrating songbirds and acquaint residents with the trail system at Elmwood Junction (some of it town property), an enthusiastic group of birders were led by experts from the Audubon society and Harris Center on an early morning May "Warbler Walk." This Bird and Breakfast outing was followed by a delicious breakfast at the Depot prepared by Eleanor Kappa.

A hike to Juggernaut Pond to show off Hancock's pristine water resource to residents was cosponsored with the Harris Center this fall.

HANCOCK CONSERVATION COMMISSION  
FOREST MANAGEMENT SUBCOMMITTEE

This group was established by the Hancock Conservation Commission to manage Hancock's town forests. The members of the committee are Conservation Commissioners A.F. Brown (chairman), D. Ruess, J. Richardson, and B.W. Schneckenburger, and Water Commissioners D. Huntington and R. Keil. The goals of the committee are to:

- + protect the Juggernaut Pond watershed to ensure the purity of the public drinking water supply in accordance with the Clean Water Act,
- + expand wildlife habitat,
- + preserve town forests for future generations,
- + produce revenue by selective timber harvesting.

A forest management plan was developed in June 1992 by the New England Forestry Foundation. Two town forests were examined, the Juggernaut Pond tract located off King's Highway and the Cobb Hill tract located off Jaquith Road. For these 300 acres, the boundary lines were established, and timber and soil types were mapped. For the Juggernaut Pond tract, three separate timber sales were recommended (all located outside the watershed). Funding for this plan was provided by the Delia Thatcher Foundation and SP-44 Federal Cost Share. The plan was submitted to the selectmen who approved timber sale #1 subject to a public hearing which was held on October 19, 1992. The plan is on file at the library for the use of interested residents.

New England Forestry Foundation has agreed to supervise timber sale #1 and a biomass harvest of approximately 22 acres involving only low quality sawlogs and poorly formed stems. The activity is planned for the first quarter of 1993. A stone monument dated 1853 with the inscription "EXCELSIOR" (ever upward) was discovered on a high point of land overlooking the railroad. At this site, a vista that provides a magnificent view to the east will be developed.

## COMMONS COMMISSION REPORT

The three members of the Commission, working together and individually, mowed the grass, picked up trash, and raked most of the leaves on the areas assigned by the Selectmen.

The large flag flown on special occasions was repaired by Mary Schneckenberger, for which we repeat our thanks. We hope the mice in the town offices will respect her work.

Two new 5 x 8 flags, the size flown daily, were donated by John D. Peabody and Isabel Baldwin in memory of family members. A third flag had been purchased earlier. Depending on the weather, a daily flag must be replaced every 6 to 9 months, so we start off 1993 in good shape.

Major repairs to the bandstand were completed in time for Old Home Days. The Commission and the Selectmen hope that young people using the area will help keep the centerpiece clean.

The fountain at the North end of Main Street is feeling its' age and may require more serious attention. It will be reviewed while in storage for the winter.

Respectfully submitted,  
John E. Carlson, Jr.  
Chairman

## RECREATION COMMITTEE

The Recreation Committee had another year marked by a high degree of participation by adults and youngsters alike. The summer program at the Town Beach, under the able direction of Nancy Cladding, involved over 100 children.

The Hancock Town field received active use from the soccer program under the auspices of Conval Youth Soccer. It involved school children from grades 1 through 8. The baseball program did likewise. Primarily through the efforts of Bernie Hecht, a town rink has been created and has proved to be quite popular.

The recreational activities of the Town are due largely to the volunteer efforts of many. To them we extend our thanks.

Respectfully submitted,  
Hank Drury, Chairman

# HISTORIC HANCOCK MEETING HOUSE COMMITTEE

Dear Friends:

The Historic Hancock Meeting House Committee thanks all of you who so generously contributed and pledged the funds to restore the steeple and do other necessary work on this grand old building. This community has always been unique in tending to its heritage and maintaining the beauty and historic presence of the town. You have continued this tradition with your donations and the town thanks you so much.

We have accomplished a great deal during this past year including:

- Removal, restoration and replacement of the steeple.
- Repair of steeple support structure.
- Restoration of the entrance lobby.
- Replacement of rotted portions of the rear of the building.
- Repair and strengthening of the fire escape.
- Fire exit signs and lights in the first floor hall.
- Fire alarm system updating.
- Painting of the steeple in conjunction with scheduled building painting.

We have expended all of our cash contributions without having to resort to borrowing money but the work is not done. In fact, a small deficit exists at this time and any early payments of pledges would be most welcome. Although the exterior of the building is pristine in appearance, there remains a considerable amount of work inside to satisfy the requirements of the State Fire Marshal. We hope that pledges for 1993 and 1994 will fund this work and if any funds remain unspent, they will be placed in a town trust fund which we expect to establish to fund future joint town/church building expenses.

The present approximate status of our fund drive is as follows:

Cash Received	96,000.00
1992 Pledges unfulfilled	200.00
Pledges Made for 1993/1994	29,000.00
Total	125,200.00
Payments made	95,500.00
Amount Payable	2,200.00
Total	97,700.00

Again, we extend our heartfelt thanks to all participants. Tax deductible donations are still most welcome as we look toward the completion of this project as each and every dollar is important.

Sincerely,  
Richard E. Amidon  
For the Committee

## REPORT OF THE GENEALOGICAL COMMITTEE

Work resumed in September on the Hancock town genealogy project, which will eventually result in a published volume of genealogical information on all Hancock residents and their families from 1889 until the present. This project was begun in 1939 by Maro Brooks et al and was continued by Ruth Johnson and then Sarah (Weston) Hutchins and Sheila Adams in conjunction with the production of the volume of Hancock history published in 1979, "The Second Hundred Years". Current committee members are Elizabeth Weston, Sheila Adams, Frances Pond, Bill Bradley, Cindy Dechert, and Hunt Dowse as Selectmen Advisor.

A computer with a genealogical database has been purchased and installed in the Hancock Historical Society, where the committee meets bi-weekly. This was made possible through funds accumulated for this project over the years, and through the ongoing sales of copies of "The Second Hundred Years". The information in the computer database is readily available throughout this project to townspeople and/or genealogical researchers, with individual and family records available in a variety of formats as they accumulate.

At present, the committee is gleaning pertinent information from the first volume of Hancock history published in 1889 by William Willis Hayward, from many years of Hancock town reports, from back issues of the Peterborough Transcript, and from the files and notes left by previous committee members. The genealogical data sheets filled out by Hancock residents for this project over the years will also be very helpful, as will the historical resource material in the archives of the Hancock Historical Society and the Town Office Building. Genealogical data sheets have been reprinted and are available from members of the committee to anyone wishing to include their families in this project. They will also be available at Town Meeting.

Although this project is slow and extremely time-consuming, it is very interesting and the committee feels that they are helping to preserve much historical information about the history of Hancock that might otherwise be forgotten. Estimated length of the project is five years.
